

Objectives of the Knowledge Sharing Meeting Presented at:

**NASA's Project Management Knowledge
Sharing Session
December, 2000**

**Presented by: Dr. Michelle Collins,
NASA's Academy of Program & Project
Leadership (APPL)**

Objectives of KS Meeting

- To generate and share knowledge
- To facilitate inter-center networking
- To learn about contemporary managerial thinking outside of NASA

- To start changing participants' mindset regarding their dominant role in generating knowledge
- To learn how to learn and unlearn
- To generate material for ASK
- To collect feedback about ASK
